

Create

A screenshot of a web browser window. The browser has a single tab titled 'Praveen'. The address bar shows 'localhost' with a star icon for bookmarks. Below the address bar, there are icons for 'Apps' and 'Other bookmarks'. The main content area of the browser displays a registration form. The form consists of four stacked text input fields labeled 'FirstName', 'LastName', 'Username', and 'Password'. Below these fields is a large blue button with the text 'Register' in white.

A new entry will be created in Mongo DB

Read

A screenshot of a web browser window. The browser has a single tab titled "Praveen". The address bar shows "localh" with a star icon for bookmarks. Below the address bar, there are icons for "Apps" and "Other bookmarks". The main content area of the browser displays a login form. The form consists of two input fields: the first contains the text "gk52", and the second contains four dots "...." followed by a vertical cursor. Below these fields is a large blue button labeled "Login". At the bottom of the form, there is a link labeled "sign up".
